

Subject: Bad Weather / School Closing Information

Cooper ISD Parents,

The safety of our children is of greatest importance for parents and school. As school officials closely monitor weather conditions, we ask your help.

Please check the following radio stations or television channels for school closing or late start information:

FM 88.9	Commerce KETR
FM 93.9	Paris KOYN
FM 96.9	Mt. Pleasant STAR
FM 97.7	Mt. Pleasant KLAKE
FM 107.7	Paris KPLT

Fox Channel 4	Dallas/Ft. Worth
NBC Channel 5	KXAS, Dallas/Ft. Worth
ABC Channel 8	WFAA, Dallas

School officials will check road conditions very early in the morning. Should it be necessary to start school late or close school due to bad weather, a decision will be made between 6:00 a.m. and 6:30 a.m.

Please check the radio or television contacts listed above, rather than calling the school. We will make every effort to have school, but the safety of all our students is paramount.

Thanks in advance for your assistance.
