

**Cooper Independent School District
April 12, 2007
Special School Board Meeting Summary**

A special school board meeting was held at 6:00 p.m. on April 12. Six board members were present.

Ed Moore of Southwest Securities presented information about his company and the process for school bonds.

Three architects presented information about their firms and experience working with schools in designing new facilities. Presenters were Ralph Harper of Harper & Perkins, Mike Nelson of NR2 and W.C. Ferrell.

The Board discussed forming a Citizens Advisory Committee to explore what interest level, if any, exists in the community regarding the need for school facility improvements.

The regular April board meeting will be Monday, April 16 at 7:00 in Room 608 across from the elementary library.
